Terms & Conditions

To sign up for these offers, please email the application to REINZ@one.nz

This offer is exclusive to members of REINZ and their immediate family. To qualify for this offer, REINZ members need to pay by Direct Debit. All plans must be on the same billing account, held by the REINZ member who will be liable for all charges. Offer may be withdrawn and only available while REINZ is a One New Zealand customer.

Endless Large Team Plan discount: Save \$13 (ex. GST) per month per connection when a member signs up for Endless Team Plan Large. Discount only applies to the standard monthly plan charge. Discount will be applied when mobile becomes active and will appear on first or second bill. Discount will be removed and standard monthly plan charge will apply if the member changes plan, or their contractual relationship with REINZ is terminated. Not available with any other offers or discounts. Discount may be withdrawn by One NZ with 20 working days' notice.

Endless Team Plan (Open Term): Speeds reduced to a maximum of 1.2 Mbps after Max Speed data allowance exceeded. Max SD streaming at all times. Endless calls and TXTs to standard NZ & Aus numbers (i.e no short codes or MMS/PXT). Mobile use only. Business fair use & terms apply, see one.nz/business/mobile-plans/#plans-for-5-people-or-more.

Two Months Free Offer: Get two months free per connection when a member signs up for the Endless Large Team plan on a 24-month term. Only applies to the standard monthly plan charge. Applied when mobile becomes active and will appear on first or second bill. Will be debited back on early termination.

***Satellite to Mobile TXT:** TXT in minutes on eligible phones and plans. TXT only and needs line of sight to sky. Terms, fair use and capacity control applies. See one.nz/satellite.

Daily Roaming: For a daily fee, use your mobile plan inclusions and rates in selected Daily Roaming destinations. Usual plan charges apply. A daily fee applies for each day you make/receive calls, send TXTs or use data in the Daily Roaming destination (valid until midnight NZ time), up to 90 consecutive days. Terms apply, see one.nz/business/roaming.

Australia Roaming: Available on One Team Plan. Use your minutes, TXT's and data while in Australia at no extra cost. Normal plan charges apply. Excludes calls or TXT's to satellite or premium numbers (e.g 0800 (1800)), and Australian external territories. Not available if you have relocated to Australia. Exclusion, business fair use and terms apply, see one.nz/australiaroaming.

International Add-On: Includes 250 anytime voice calls and 50 TXTs (excludes short codes and MMS/PXTs) to use in NZ to standard numbers in 20 international destinations, see one.nz/legal/terms-conditions/international-addon. A minimum of one minute will be deducted from your included minutes, for each call that you make. Any additional calls or TXTs made after included calls/TXTs are used, or made to countries not included in the add-on, are charged at the standard international rates of your plan. Terms apply, see one.nz/legal/terms-conditions/international-addon.

Terms & Conditions

This offer is exclusive to member of REINZ and their immediate family. To qualify for this offer, the member needs to pay by Direct Debit. All plans must be on the same billing account, held by the member who will be liable for all charges. Offer may be withdrawn and only available while REINZ is a One New Zealand customer.

Three Months Free Offer: Get three months free per connection when a member signs up for a Wireless or Fibre Broadband plan on a 24-month term. Only applies to the standard monthly plan charge. Applied when broadband becomes active and will appear on first or second bill. Will be debited back on early termination.

Fibre Broadband: Not available everywhere. Residential use only. A compatible One NZ modem is required. Early termination charges of \$229 apply and will reduce by \$19.08 per month, per plan. Non-standard installation charges apply. Terms apply, see one.nz/business/broadband/broadband-plans/.

Wireless Broadband: Only in selected areas (rural areas excluded). Sufficient 4G/5G coverage and capacity is required and continuous 5G services can't be guaranteed. Traffic management may apply. A compatible One NZ modem with SIM card is required and must only be used at your nominated location. Early termination charges of \$620 apply and will reduce by \$51.66 per month.

Broadband speeds: Average download/upload speeds are at busiest times. Where available, speeds shown are national peak time average speeds based on the Commerce Commission's Measuring Broadband New Zealand (MBNZ) March 25 Report. You may experience a higher or lower speed than these averages. Factors such as the performance of your modem, location of the server you're connected to, the performance of your device and your in-home WiFi setup can impact the speeds experienced. For wireless connections, factors such as the distance you are from a cell tower, the network capability and the overall use of that cell tower by other consumers can impact the speed experienced.

BYO Modem: Only available on One NZ open term Unlimited Fibre, VDSL and ADSL broadband plans. See one.nz/broadband/byo-modem for capability requirements and terms.

SmartWiFi and SuperWiFi: Fees apply if you cancel or transfer your plan or billing account within 12 months. TP-Link Deco App may be required. Coverage can be impacted by factors such as network conditions and environmental factors. Offer may be amended or withdrawn by One NZ at any time. Terms apply, for SmartWiFi, see one.nz/legal/terms-conditions/smartwifi/ and for SuperWiFi, see one.nz/legal/terms-conditions/superwifi/.
